Anantara Peace Haven Tangalle Resort in Tangalle, Sri Lanka 18 of 20

The up-and-coming resort area of Tangalle, in the south of Sri Lanka, has a new standard for luxury in the 152-room Anantara, set on a still-functional coconut plantation. The property brims with a real sense of place, from the modern-meets-colonial décor to the locally made crafts and artifacts that are scattered around the rooms and common spaces. But unlike other resort areas, you're not far from the country's cultural core: the fortified city of Galle is within easy driving distance, as are many national parks.
